Summary –

Rotary Club Of Ghaziabad Southend done the project –

As part of our social responsibility and commitment to supporting underprivileged communities, we organized a donation drive at Udaan School, Rajnagar, Ghaziabad. The initiative focused on distributing woollen sweaters and steel water bottles to the needy children studying at the school. The project aimed to provide comfort during the winter season and promote sustainable practices by encouraging the use of reusable steel bottles.

The Main Objectives are as given below –

To support underprivileged children by providing warm clothing for the winter.

To encourage eco-friendly habits by replacing plastic bottles with reusable steel bottles.

To bring smiles to children and motivate them in their educational journey.

The distribution was carried out in the presence of school management , teachers, Rotarian , project Sponsor & coordinators. Children expressed their joy and gratitude upon receiving the gifts.

Teachers appreciated the effort, highlighting that such gestures uplift the morale of children from economically weaker sections
